Fieldworker: Once you have found the YL household - show contacts and addresses for this child and for each of the contacts in the table ask whether or not the contact is still valid. Enter 01=Yes, or 00=No accordingly in the final column of the table. If none of the contacts on the list are valid ask the respondent for the names and addresses of two people who could be contacted in the future to help locate NAME (not within the household but at least one should be from within the community). Where possible these should be relatives with permanent addresses.

HOUSEHOLD ROSTER

Fieldworker: Once the household has been located show the roster card from Round 2/Tracking and for each individual listed (including the YL Child) confirm their name (spelling), age, sex and relationship to the Young Lives child. For each individual ask if they are still a member of the household. Then ask if anyone has joined the household in the last 3 years. Enter details for these individuals in the blank section at the end of the household roster.

[see pre-printed household roster here]
