Section 1. Introduction

<p>ENUMERATOR: Start the dialogue with the YL Respondent as follows:</p> <p>SAY: Hello. Good (morning/ afternoon/ night), (are you) / is this <u>[YL Child's name]</u> ? Hi, I am <u>[first and last name of ENUMERATOR]/ [VN: ENUMERATORS full name]</u>, of the Young Lives Study. The last time I/ we talked to you over the phone was back in 2020, how are you?</p> <p>On that occasion, we told you that we would contact you again this year to know about you and your family; and if the situation had improved, we were hoping to visit you, as we had originally planned to do last year. However, we are still experiencing a risky situation and, to our regret, we are once again unable to visit you due to the Health Emergency/Coronavirus/COVID-19. We hope that you and your family are safe and that this situation will get better soon.</p>		
<p>EXPLAIN: As you may understand, you and every YL participant are adults now. Some are still living with their parents and siblings, but others are living on their own or have moved for different reasons. The main purpose of this call is to ask you some questions about your current household composition and update this information. We won't take longer than 15 minutes in this call. As always, all the information that you share with me is strictly confidential (as it has been in the past).</p>		
Q.I1	<p>SAY: [YL Child's name], Do you agree? Will you give me your consent to ask you these questions and update your data/ information we have about you?</p> <p>00= No</p> <p>01= Yes ► Go to next section (Section 2. Survey)</p> <p>02= YL Child has died ► Please proceed with the condolence message below.</p> <p>Condolence message</p> <p>SAY: "We are very sad to hear the news that [YL Child's name] has passed. We are very sorry for your loss. We are very thankful that he/she was part of the YL study for more than 20 years. It was a pleasure getting to know him/her and his/her family during this time"</p> <p>Enumerator: If possible, in a delicate manner try to find out the YL Child's main cause of death or other information related to the YL Child's death and include details in the text box below.</p> <p>SAY: I am sorry again for your loss and wish you and your family all the best at the difficult time. Goodbye</p>	<input type="radio"/> No <input type="radio"/> Yes
Q.I2	<p>SAY: Why don't you want to participate?</p> <p>01= Doesn't have time/can't do it because he/she has to go to study, to work, etc. ► Go to Q.I3</p> <p>02= He/she has doubts and/or doesn't trust regarding the information they will give ► Go to Q.I4</p> <p>03= He/she is going through an emergency/very delicate situation (Health, Economic or other type of emergency, specifying whether it is personal or related to the family) ► Go to Farewell F3</p> <p>04= He/she is no longer interested in participating in the study ► ENUMERATOR: Give this as a last resort. This might mean that they do not want to be part of call 4 only, or want to withdraw from the phone survey (call 4 and call 5) or from the study altogether. Please take note of the reason for withdrawal and follow the next steps ► Go to Farewell F4 [VN: 04= He/she is not interested in participating in the study ► Go to Farewell F4]</p>	[_ _]

<p>Q.13</p>	<p>ENUMERATOR: Explain that you can call again on a day and time that is more convenient for him/her...and also, mention again that it will be a conversation of no more than 15 minutes...</p> <p>SAY: Would you like to participate? Do you give us your consent to go ahead on the date and time that is more convenient for you?</p> <p>01= Yes ► ENUMERATOR: Schedule Date and Time for the call ► Go to Farewell F2</p> <p>00= No ► ENUMERATOR: take note of the reason ► Go to Farewell F1</p>	<p><input type="radio"/> No <input type="radio"/> Yes</p>
<p>Q.14</p>	<p>ENUMERATOR: Explain again the purpose of the conversation and the confidentiality of the information they share with YL. Explain that the information and data collected will only be accessed by researchers and people in charge of the study, and that they won't be able to directly identify each participant, as the data is strictly anonymised. Additionally, explain that this data is relevant to be able to communicate with them again, visit them when there is no risk to do so or send them information, etc.</p> <p>SAY: What do you think? Would you like to participate?</p> <p>01= Yes ► Go to next section (Section 2. Survey)</p> <p>00= No ► Go to Farewell F1</p>	<p><input type="radio"/> No <input type="radio"/> Yes</p>
<p>F1</p>	<p>SAY: [YL Child's name] don't worry, your decision is absolutely free and voluntary, we understand and respect it. It is necessary that you know that choosing not to participate in this survey doesn't affect at all your link with Young Lives. This phone survey is now concluded but you are still an important part of the study until you decide not to be. That is why it is important and necessary that you know that <u>[between October and December, DATE OF PHONE SURVEY FIFTH CALL]</u>, I will call you again to invite you to participate in a new phone survey with questions related to you and your household, on the topics of education, health, employment, and wellbeing. The entire survey takes approximately 30-45 minutes. As always, the survey will be done with the consent of each young person and on the day and time that (he / she indicates?) is most convenient for them according to their activities....</p> <p>SAY: [YL Child's name] You will remember that whenever we have visited you, at the end of the interview, in gratitude for the time that you have given us to answer all the questions, we have given you a [PE: a small present; ET: a small amount of money or transferred mobile card; IN: money purse, vanity bag, etc; VN: a small amount of money], right?</p> <p>Since the situation is still difficult and it is still not possible to visit the participants in their homes, we will not be able to personally carry and deliver any presents. So, as we did last year, at the end of the following survey, all participants will be given [ET: Birr 150 or a Mobile card which is the approximate equivalent to the value of the money, [IN: Rs. 600, which is the approximate equivalent to the value (cost) of the present], [PE: S / . 50 soles, which is the approximate equivalent to the value (cost) of the present], [VN: will be given VND 50,000 or a mobile card which is the approximate equivalent to the value of the money]</p> <p>[ET and VN] The delivery of the money would be made by means of a "Money Order" by [ET: Commercial Bank of Ethiopia; VN: Commercial Bank of Viet Nam] or any other bank that the participant indicates, so that they can collect it from there. Or if you don't have access to a Bank [ET: we may send you the mobile card equivalent to the money. Or if you prefer to receive the money, we can send you the amount through our local guide. Please let us know your preference; VN: we may send you the mobile card equivalent to the money. Please let us know your preference.]</p> <p>[PE] The delivery of the money would be made by means of a "Bank Transfer" by Banco de Crédito, Banco de la Nación or any other bank that you indicate, so that you can collect it from there. It is important that the bank account belongs to you. Or if you don't have a Bank Account, you can receive the reward from a Banco de Crédito or a Banco de la Nación Banking Agent located near their living place. Please let us know your preference.</p>	

<p>[IN] The amount will be sent through any nationalised banks by RTGS or if you don't want to give us your bank account or you don't have one, we will send the amount by "Money Order" and it will take 4 or 5 days to reach you through Post office. In both cases we will send a photo copy of the receipt]. Please let us know your preference.</p> <p>This is the information that I wanted to give you. When I call you back [between October and December], I will give you a much broader and more detailed explanation so that you can freely decide whether or not you want to participate in the aforementioned survey.</p> <p>Thank you very much for your attention. It has been very good for me to meet and talk with you. And remember that [between October and December, DATE OF PHONE SURVEY FIFTH CALL] I will be calling you again. Goodbye for now.</p> <p>[END OF THE SURVEY]</p>

2.8 CONCLUDING REMARKS

"SAY: [YL Child's name] It has been very good for me to talk to you. We are very grateful for your time and the information you have provided us with. Before we say goodbye, I would like to let you know/remind you that we will conduct a new phone survey [between October - December, DATE OF FIFTH CALL]. I will call you again then to find out how you and your family are doing and to invite you to participate in a new interview for al YL participants with questions about your education trajectory, your employment, your health, food consumption, your wellbeing and your household overall. The survey will take approximately 45 minutes, but when I call you again I will give you a much more extensive and detailed explanation so that you can freely decide whether or not you want to participate in the survey and give us your consent."
