PE_R1_community_stblSec5SchoolPay	Holds data about how much on average would a schoolchild in a state school have to spend each year on items
PE_R1_community_stblSec6Prices	Holds data from Section 6 of the community questionnaire

LOCALITY IDENTIFICATION

PE_R1_COMMUNITY_tblhresum.sav

COMNRO   PERU - Correlative number

CLUSTER   PERU - Identification of the community

CLUSTID   PERU - A1. Cluster ID

PE_R1_COMMUNITY_tblidentification.sav

COMNRO   PERU - Correlative number

COMMID   PERU - Identification of the community

CLUSTID   PERU - A1. Cluster ID

DINT   A4b. Date of starting the interview

DFINT   A4c. Date of finishing the interview

RESPONDENT IDENTIFICATION

PE_R1_community_stblRespondents

COMNRO   PERU - Correlative number

RSID   Respondent ID

AGERES   Age

SEXRES   Sex. Codes are: 01= Male, 02= Female

CAPAC   Public Appointment. Codes are:

           01= Politically appointed leader

           02= Democratically elected leader

           03= Health worker

           04= Teacher/ Headmaster of school

           05= Religious leader

           06= Woman. Leader of a Woman`s Organisation

           07= Other

           09= Don`t know

LIVRES   How many years have you lived in this community?

PE_R1_Comm_Level

COMNRO   Peru - Correlative number

COMMID   Peru - Identification of the community

CLUSTID   Cluster ID

DINT   Date of interview

DFINT   Date of Interview end

AREA   What is the approximate total area of the community?

POP   How many people (approx) including children live in this community

POPCHG   In the last three years has the population of the community increased, decreased or not changed? Codes are:

           01= Increased

           02= Decreased

           03= No change

           04= Don`t know

CITY   Is community xxxxxxx part of a town of village? Codes are: 01= Yes, 02= No

SZCIT   What is the population of the above named town or village?

TWNDIS   How many Km is it from the centre of this community to the capital of the district.
           88 = Not applicable, community is part of the capital

	99 = Don't know
SUBZONE	Which ecological zone would best describe this community? Codes are:

          01= Amazon forest

          02= Coast

          03= Valley

          04= Hills, highlands

          05= Mountainous, steppe

          06= Desert

          07= Other

          09= Don`t know

WASTE — Could you tell me if any of the following problems affect the community, seriously, only a little or not at all? Waste from industry. Codes are:

          01= Serious problem

          02= Only a little

          03= Doesn`t affect the community

AIRPOL — Could you tell me if any of the following problems affect the community, seriously, only a little or not at all? Air pollution or contamination. Codes are the same as used for WASTE.

WATPOL — Could you tell me if any of the following problems affect the community, seriously, only a little or not at all? Contamination of water. Codes are the same as used for WASTE.

CONTSOIL — Could you tell me if any of the following problems affect the community, seriously, only a little or not at all? Troublesome noise (Traffic, airport, factories etc). Codes are the same as used for WASTE.

SPECPOL — Could you tell me if any of the following problems affect the community, seriously, only a little or not at all? Others. Codes are the same as used for WASTE.

SHANTY — In what sort of houses do most people in the community live? Detached houses, half built (construction unfinished). Codes are:

          01= Yes,

          02= No

          09= Don`t know

SEMI — In what sort of houses do most people in the community live? Detached houses, construction finished? Codes are the same as used for SHANTY.

PERM — In what sort of houses do most people in the community live? Housing complex where several families share one floor, eg quinta. Codes are the same as used for SHANTY.

STORY	In what sort of houses do most people in the community live? Homes within a larger house, eg an old house/mansion. Codes are the same as used for SHANTY.
BIGMULT	In what sort of houses do most people in the community live? Multistory building with 20 of more flats/homes. Codes are the same as used for SHANTY.
SMALMULT	In what sort of houses do most people in the community live? Multistory building with less than 20 flats/homes. Codes are the same as used for SHANTY.
PLANOC	peru - did you get a local map of this community?
PLAND1	What are the three most important uses of land in this community? Planned urbanization. Codes are:

       01= Yes

       08= Not mentioned

       09= Don`t know

PLAND2	What are the three most important uses of land in this community? Invasion of the land for housing. Codes are the same as used for PLAND1.
PLAND3	What are the three most important uses of land in this community? Agriculture. Codes are the same as used for PLAND1.
PLAND4	What are the three most important uses of land in this community? Pisciculture, Fishing. Codes are the same as used for PLAND1.
PLAND5	What are the three most important uses of land in this community? Industry, industrial use. Codes are the same as used for PLAND1.
PLAND6	What are the three most important uses of land in this community? Mining. Codes are the same as used for PLAND1.
PLAND7	What are the three most important uses of land in this community? Non industrial manufacturing. Codes are the same as used for PLAND1.
PLAND8	What are the three most important uses of land in this community? Sport or recreation facilities. Codes are the same as used for PLAND1.
PLAND9	What are the three most important uses of land in this community? Commerce, shops etc. Codes are the same as used for PLAND1.
PLAND10	What are the three most important uses of land in this community? None. Codes are the same as used for PLAND1.
PLAND11	What are the three most important uses of land in this community? Other. Codes are the same as used for PLAND1.
TWNDEM	How long does it take to get to the capital of the district (in minutes)? Codes are the same as used for TWNDIS.
PROVDEM	How long does it take to get to the capital of the province? Codes are the same as used for TWNDIS.

VIVSPEC   In what sort of houses do most people in the community live? Other. Codes are the same as used for SHANTY.

MAT1   What building material is used for the walls of these houses? Straw matting, wattle, straw or similar? Codes are: 01= Yes, 02= No

MAT2   What building material is used for the walls of these houses? Wood, tree trunks or similar. Codes are: 01= Yes, 02= No

MAT3   What building material is used for the walls of these houses? Sun dried brick, mud, dung, wattle and daub or similar. Codes are: 01= Yes, 02= No

MAT4   What building material is used for the walls of these houses? Corrugated roofing, corrugated iron, tin, metal or other. Codes are: 01= Yes, 02= No

MAT5   What building material is used for the walls of these houses? Stone, stone with mud/earth. Codes are: 01= Yes, 02= No

MAT6   What building material is used for the walls of these houses? Unfinished brick. Codes are: 01= Yes, 02= No

MAT7   What building material is used for the walls of these houses? Finished brickwork, concrete, cement. Codes are: 01= Yes, 02= No

PLANG1   What are the most commonly spoken languages in the community? Spanish. Codes are:

        01= The most spoken

        02= The second most commonly spoken

        03= The third most common spoken

PLANG2   What are the most commonly spoken languages in the community? Quechua. Codes are the same as used for PLANG1.

PLANG3   What are the most commonly spoken languages in the community? Aymara. Codes are the same as used for PLANG1.

PLANG4   What are the most commonly spoken languages in the community? Other. Codes are the same as used for PLANG1.

PLANG5   What are the most commonly spoken languages in the community? Other. Codes are the same as used for PLANG1.

PREL1   What religion is most commonly practiced in this community? Roman Catholic. Codes are:

        01= The most practiced

        02= The second most practiced

        03= The third

        04= The fourth

        05= Very little/ very few people

        06= No one practices this religion

PREL2   What religion is most commonly practiced in this community? Islam. Codes are the same as used for PREL1.

PREL3   What religion is most commonly practiced in this community? Buddism. Codes are the same as used for PREL1.

PREL4   What religion is most commonly practiced in this community? Hindu. Codes are the same as used for PREL1.

PREL5   What religion is most commonly practiced in this community? Evangelical. Codes are the same as used for PREL1.

PREL6   What religion is most commonly practiced in this community? Protestant. Codes are the same as used for PREL1.

PREL7   What religion is most commonly practiced in this community? Adventist. Codes are the same as used for PREL1.

PREL8   What religion is most commonly practiced in this community? Jehova´s witnesses. Codes are the same as used for PREL1.

PREL9   What religion is most commonly practiced in this community? Mormon. Codes are the same as used for PREL1.

PREL10   What religion is most commonly practiced in this community? Other. Codes are the same as used for PREL1.

LEGAL   Is this community legally registered and recognized? Codes are: 01= Yes, 02= No, 09= Don`t know

CONELEC   Is their a mayor or local governor elected by the population? Codes are: 01= Yes, 02= No, 09= Don`t know

CONCLIVE   Does this mayor or local authority live in the community? Codes are: 01= Yes, 02= No, 09= Don`t know

CONCVIST   Has the mayor or local authority visited the community in the last year? Codes are: 01= Yes, 02= No, 09= Don`t know

CONCASE   In the last 5 years has any mayor or local authority been victim of an assassination whether political or by terrorist? Codes are: 01= Yes, 02= No, 09= Don`t know

CONCORR   In the last five years has any mayor or local authority been charged for corruption? Codes are: 01= Yes, 02= No, 09= Don`t know

CONCADM   In the last 5 years has any mayor or local authority been removed or lost his post because of corruption or misadministration? Codes are: 01= Yes, 02= No, 09= Don`t know

THFCRM   Is the daily life of the people in the community affected in an important way by the following problems: Robbery, burglary, pick pocketing? Codes are: 01= Yes, 02= No, 09= Don`t know

VIOLCRM   Is the daily life of the people in the community affected in an important way by the following problems: Violent crime? Codes are: 01= Yes, 02= No, 09= Don`t know

YUTHCRM	Is the daily life of the people in the community affected in an important way by the following problems: Gangs of youths, drug addicts? Codes are: 01= Yes, 02= No, 09= Don`t know
PROSCRM	Is the daily life of the people in the community affected in an important way by the following problems: Prostitution? Codes are: 01= Yes, 02= No, 09= Don`t know
COMCRM	Is the daily life of the people in the community affected in an important way by the following problems: Gang warfare, disagreements between gangs, groups? Codes are: 01= Yes, 02= No, 09= Don`t know
SPECCRM	Is the daily life of the people in the community affected in an important way by the following problems: RuPE_R1_community_stbling, cattle or animal thieving? Codes are: 01= Yes, 02= No, 09= Don`t know
OTRCRM	Is the daily life of the people in the community affected in an important way by the following problems: Other? Codes are: 01= Yes, 02= No, 09= Don`t know
PTOIL1	What do most people use or where do they go to the lavatory in this community? Flush toilets connected to sewage system or septic tank. Codes are: 01= Yes, 02= No, 09= Don`t know
TOILAPRO	What do most people use or where do they go to the lavatory in this community? Approximately what % of the population use flush toilets?
PTOIL2	What do most people use or where do they go to the lavatory in this community? Pit latrines for only the family use. Codes are: 01= Yes, 02= No, 09= Don`t know

PTOIL4	What do most people use or where do they go to the lavatory in this community? Hillside, wasteland, woods. Codes are: 01= Yes, 02= No, 09= Don`t know
PTOIL5	What do most people use or where do they go to the lavatory in this community? Other. Codes are: 01= Yes, 02= No, 09= Don`t know
PTOIL6	What do most people use or where do they go to the lavatory in this community? River, irrigation channels. Codes are: 01= Yes, 02= No, 09= Don`t know
PWATER1	What is the principal source of drinking water for the population? Piped (Running) water to the house (or the land). Codes are: 01= Yes, 02= No, 09= Don`t know
WATHORA	On average, how many hours a day is there water?
WATDIAS	How many days a week is there water?
WATAPROX	Approximately what % of the poblation has running water?
PWATER2	What is the principal source of drinking water for the population? Private wells. Codes are: 01= Yes, 02= No, 09= Don`t know
PWATER3	What is the principal source of drinking water for the population? Public wells or Public pumps. Codes are: 01= Yes, 02= No, 09= Don`t know

PWATER4   What is the principal source of drinking water for the population? Irrigation channels, rivers, canal, lakes, streams. Codes are: 01= Yes, 02= No, 09= Don`t know

PWATER5   What is the principal source of drinking water for the population? Others. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB1   What are the ways or the main places where the population dispose of their rubbish - Collected by dustcarts/rubbish trucks. Codes are: 01= Yes, 02= No, 09= Don`t know

GARPROM   On average every how many days does the rubbish get collected?

PGARB2   What are the ways or the main places where the population dispose of their rubbish - Burning the rubbish. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB3   What are the ways or the main places where the population dispose of their rubbish - Throwing it out in public places. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB4   What are the ways or the main places where the population dispose of their rubbish - Burying the rubbish. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB5   What are the ways or the main places where the population dispose of their rubbish - Others. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB6   What are the ways or the main places where the population dispose of their rubbish - Giving/Selling it to illegal/informal pig farms. Codes are: 01= Yes, 02= No, 09= Don`t know

PGARB7   What are the ways or the main places where the population dispose of their rubbish - Throwing it out in areas where people recycle or sell it. Codes are: 01= Yes, 02= No, 09= Don`t know

CANSEL   Are there people in this community who sell food or products in the street on the pavements, in public places

PSHOP1   Where do most households buy their food? Supermarkets (Sainsbury, Tesco, Waitrose type). Codes are: 01= Yes, 02= No, 09= Don`t know

PSHOP3   Where do most households buy their food? Local community shops. Codes are: 01= Yes, 02= No, 09= Don`t know

PSHOP4   Where do most households buy their food? Markets, fairs. Codes are: 01= Yes, 02= No, 09= Don`t know

PSHOP5   Where do most households buy their food? Street sellers, street. Codes are: 01= Yes, 02= No, 09= Don`t know

PSHOP6   Where do most households buy their food? Others

BUY1   Where do most households buy their clothes and other necessities? Local shops in the area/community. Codes are: 01= Yes, 02= No, 09= Don`t know

BUY2   Where do most households buy their clothes and other necessities? Street sellers, street markets. Codes are: 01= Yes, 02= No, 09= Don`t know

BUY3   Where do most households buy their clothes and other necessities? Markets, Fairs. Codes are: 01= Yes, 02= No, 09= Don`t know

BUY4   Where do most households buy their clothes and other necessities? Supermarkets (Sainsbury, Tesco, Waitrose type). Codes are: 01= Yes, 02= No, 09= Don`t know

BUY5   Where do most households buy their clothes and other necessities? Commercial centres, malls or galleries, shopping centres. Codes are: 01= Yes, 02= No, 09= Don`t know

BUY6   Where do most households buy their clothes and other necessities? Others. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD1   What are the principal routes of access to the community - Paved or made up roads. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD2   What are the principal routes of access to the community - Unpaved but beaten earth roads/tracks. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD3   What are the principal routes of access to the community - Un made up, rough roads/tracks. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD4   What are the principal routes of access to the community - Navigable river or lake. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD6   What are the principal routes of access to the community - By air. Codes are: 01= Yes, 02= No, 09= Don`t know

PROAD7   What are the principal routes of access to the community - Other. Codes are: 01= Yes, 02= No, 09= Don`t know

FRQPASS   In the last year, for how many months was the community accessible by road or river?

PPUBTRAN1   Which of the following types of public transport does the population usually use? None. Codes are: 01= Yes, 02= No

PPUBTRAN2   Which of the following types of public transport does the population usually use? Bus. Codes are: 01= Yes, 02= No

PPUBTRAN3   Which of the following types of public transport does the population usually use? Microbus, van. Codes are: 01= Yes, 02= No

PPUBTRAN4   Which of the following types of public transport does the population usually use? Train. Codes are: 01= Yes, 02= No

PPUBTRAN5   Which of the following types of public transport does the population usually use? Taxi, motor-taxi. Codes are: 01= Yes, 02= No

PPUBTRAN6   Which of the following types of public transport does the population usually use? Motor tricycle, pedal tricycle. Codes are: 01= Yes, 02= No

PPUBTRAN7   Which of the following types of public transport does the population usually use? Motorcycle, moped. Codes are: 01= Yes, 02= No

PPUBTRAN8   Which of the following types of public transport does the population usually use? Motor boats, speed boats. Codes are: 01= Yes, 02= No

PPUBTRAN9   Which of the following types of public transport does the population usually use? Rowing boats (without motor). Codes are: 01= Yes, 02= No

PPUBTRAN10   Which of the following types of public transport does the population usually use? Others. Codes are: 01= Yes, 02= No

PPUBTRAN11   Which of the following types of public transport does the population usually use? Lorries, trucks, pickups. Codes are: 01= Yes, 02= No

PPUBTRAN12   Which of the following types of public transport does the population usually use? Cars, private vehicles. Codes are: 01= Yes, 02= No

PPUBTRAN13   Which of the following types of public transport does the population usually use? Donkeys, mules, horses. Codes are: 01= Yes, 02= No

PPUBTRAN14   Which of the following types of public transport does the population usually use? Aeroplanes, boat planes, light aircraft. Codes are: 01= Yes, 02= No

OUTRAN   Are there any means of transport for travelling to a place outside the community? Codes are: 01= Yes, 02= No

DISPUB   Approximately how far would a person have to travel to get to the place where they could take transport to get to somewhere outside the community, eg to the capital? Codes are:

        01= Less than 1km

        02= From 1-5 km]

        03= From 6-10 km

        04= More than 10 km

FRQPUB   How frequent are the means of transport to get out of the community (to go to the capital of the province/department)?Codes are:

        01= Daily

        02= Weekly, several times a week

        03= Monthly

        04= Less often than once a month

PROG   Has there existed in the community or does there exist any of the following: Programmes for health, development, poverty relief, growth monitoring education, credit or financial or anything similar. Codes are: 01= Yes, 02= No

PCOMGRP1   Which of the following organized groups exist in the community? None. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP2   Which of the following organized groups exist in the community? Trade unions, organized labour. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP3   Which of the following organized groups exist in the community? Community associations, cooperatives. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP4   Which of the following organized groups exist in the community? Women's groups, community kitchens, mothers clubs. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP5   Which of the following organized groups exist in the community? Political parties, political groups. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP6   Which of the following organized groups exist in the community? Religious groups, churches, convents, monasteries. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP7   Which of the following organized groups exist in the community? Cooperatives for savings, housing, lending money. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP8   Which of the following organized groups exist in the community? Sports associations, sports clubs. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP10   Which of the following organized groups exist in the community? Associations to combat delinquency, community vigilantes. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP11   Which of the following organized groups exist in the community? Peasant (rural smallholders) organizations. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP12   Which of the following organized groups exist in the community? Groups for irrigation, Small producers organizations. Codes are: 01= Yes, 02= No, 09= Don`t know

PCOMGRP9   Which of the following organized groups exist in the community? Others. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME1   Peru - 4.1.1 what are the main economic activities done by members of this community? – Agriculture, Animal Husbandry, Hunting, Forestry. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME2   Peru - 4.1.2 what are the main economic activities done by members of name of community?- Wooding, Cutting trees for wood . Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME3   Peru - 4.1.3 what are the main economic activities done by members of name of community?- Fishing or similar. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME4   Peru - 4.1.4 what are the main economic activities done by members of name of community?- Manufacturing industry. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME5   Peru - 4.1.5 what are the main economic activities done by members of name of community? - Craft industry, handcrafts. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME6   Peru - 4.1.6 what are the main economic activities done by members of name of community?- Construction, building workers, road buil. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME7   Peru - 4.1.7 what are the main economic activities done by members of name of community?- Wholesale or retail sales . Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME8   Peru - 4.1.8 what are the main economic activities done by members of name of community?- Transport. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME9   Peru - 4.1.9 what are the main economic activities done by members of name of community?- Mining or quarrying. Codes are: 01= Yes, 02= No, 09= Don`t know

PINCOME10   Peru - 4.1.10 what are the main economic activities done by members of name of community?- Public servants, state or local government employees. Codes are: 01= Yes, 02= No, 09= Don`t know
